26. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format

S. No.	Material identified issue	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	Carbon Emissions	R	Governments around the world are implementing stricter regulations to mitigate climate change and reduce carbon emissions. By identifying carbon emission as a material topic, RCMS ensures compliance with the existing and proposed environmental regulations. This helps the company avoid legal issues and penalties and improves its reputation as a responsible organization.	In India, the nature of vehicles to be used for the cash logistics operations are regulated by the RBI/MHA guidelines. As per current regional regulatory compliance, the vehicles in Delhi and NCR are switched to CNG instead of conventional fuels like Petrol/Diesel. Additionally, steps to reduce emissions from the cash vehicles are being taken by periodic pollution control checks and regular servicing.	Negative
2	Labour Management	R	Poor labour management pose a significant risk which can lead to service disruptions and adverse impact on the reputation of the company. The expectations of the work force are increasing with times and effective labour management is essential for organisational growth. As a responsible cash logistics service company, it is crucial for us to prioritise our employee well-being.	By having continuous interactions with the workforce for any feedbacks for improvements and by swiftly addressing the grievances, RCMS is committed to creating positive relationship with the employees. RCMS strives to improve employee satisfaction and maintain positive work environment.	Negative
3	Human Capital Development	O	Continuous upskilling and training programs are required for constant development of the human resources. Well Trained and highly motivated human capital will enhance productivity and innovation. Investing in human capital development will always result in increased efficacy, improved service delivery and resultant profitability and customer delight.	The organization invests in a well thought out human resource development programme for training of the workforce which increased employee morale, motivation and enhanced productivity. These actions also helped the organisation to attract and retain talent and foster business excellence.	Positive
4	Health & Safety	O	Providing a safe and healthy work environment for the workforce promotes employee wellbeing, positive working atmosphere, improved productivity and less downtime.	Stringent safety systems in place to ensure a healthy and safe workplace for the employees. RCMS also conducts safety trainings on safety protocols to avoid any workplace accidents to its employees.	Positive

S. No.	Material identified issue	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
5	Human Rights	R	Violation of human rights of any form in any of the locations where company has business interest will sooner or later result in agitations and loss of productivity. Adherence to human rights is essential for any business and RCMS is committed towards prohibition of child labour, prohibition of forced and compulsory labour, freedom of association and compliance to current regulatory requirements.	RCMS ensures compliance to local regulations and human rights standards. RCMS keep the channels of feedback from the field team open and intervene proactively where challenges are identified to avoid disruptions. Human rights training programmes are conducted periodically to create awareness to the workforce.	Negative
6	Privacy and data security	R	As a cash management service company, Privacy and Data Security is of paramount importance as our business involves sensitive financial data and any disruption or leakage will endanger our company. Timely and secure transmission of data is critical for effective operations.	RCMS have cybersecurity policy in place, and we have implemented data storage and transmission facility with 100% backups to ensure highest level of data security standards.	Negative
7	Community relations	O	As a responsible business organisation, Radiant cash understands the importance of community relations and invests in development of local communities.	RCMS involves in community initiatives through their CSR arm -Radiant Foundation and other implementing agencies.	Positive
8	Business Ethics	O	Being in financial industry, adherence to professional ethics such as Anti-corruption, Anti-money laundering, Insider trading, Fair taxation and auditing practices are key to success of operations. Clearly defined and transparent processes with ethical implementation will enhance the reputation of the company and in turn result in increased productivity and profitability. Nonadherence on the other hand will lead to legal fines, penalties, trust erosion and reputational damage. Also timely and effective compliance with regulatory and legal authorities, augment good ethical behaviour.	The company's code of conduct clearly mandates ethical behaviour of both the external and internal stakeholders. Moreover, effective Whistle blower policy, vigil mechanism and grievance redressal mechanism are in place. RCMS is planning to conduct well formulated Business ethics and code of conduct trainings to internal stakeholders.	Positive

PRINCIPLE 4: Businesses should respect the interests of and be responsive to all its stakeholders

RCMS believes stakeholder participation is critical for any organisation's success and hence endeavours to create long-term value for all our stakeholders, including investors, customers, suppliers, employees, value chain partners, communities, regulatory agencies, and policy makers. RCMS has a Stakeholders Relationship Committee which is responsible for redressal of grievances of the shareholders of the Company. Engaging with stakeholders and maintaining stakeholder relations is vital for company's long-term sustenance and elevates the goodwill of the Company and leads to financial success

SDGs Impacted:

Essential Indicators

1. Describe the processes for identifying key stakeholder groups of the entity.

Any individual or group of individuals or institutions that adds value to the business chain of the corporation or is materially affected by entity's decision is identified as a core stakeholder. At present, the given stakeholder groups identified have immediate impact on the operations and working of the company. The Company has a Stakeholders Relationship Committee to protect the interest of all the shareholders of the Company and RCMS recognizes both, internal stakeholder (which includes employees and leadership), and external stakeholder (which includes regulators, investors, suppliers, customers, and community)

At RCMS, we recognize stakeholder engagement as an integral part of our operations. We strive to create long-term sustainable value for all our stakeholders including employees, customers, investors, suppliers, and communities. In order to do so, we regularly engage and collaborate with our stakeholders to develop an understanding of their needs and expectations
