S.no	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	Carbon Emissions	R	Governments around the world are implementing stricter regulations to mitigate climate change and reduce carbon emissions. By identifying carbon emission as a material topic, RCMS ensures compliance with the existing and proposed environmental regulations. This helps the Company avoid legal issues and penalties and improves its reputation as a responsible organization.	In India, the nature of vehicles to be used for the cash logistics operations are regulated by the RBI/ MHA guidelines. As per current regional regulatory compliance, the vehicles in Delhi and NCR are switched to CNG instead of conventional fuels like Petrol/ Diesel. Additionally, steps to reduce emissions from the cash vehicles are being taken by periodic pollution control checks and regular servicing.	Negative
2	Labour Management	R	Poor labour management pose a significant risk which can lead to service disruptions and adverse impact on the reputation of the Company. The expectations of the work force are increasing with times and effective labour management is essential for organisational growth. As a responsible cash logistics service company, it is crucial for us to prioritise our employee well-being.	By having continuous interactions with the workforce for any feedbacks for improvements and by swiftly addressing the grievances, RCMS is committed to creating positive relationship with the employees. RCMS strives to improve employee satisfaction and maintain positive work environment.	Negative

S.no	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
3	Human Capital Development	O	Continuous upskilling and training programs are required for constant development of the human resources. Well Trained and highly motivated human capital will enhance productivity and innovation. Investing in human capital development will always result in increased efficacy, improved service delivery and resultant profitability and customer delight.	The organization invests in a well thought out human resource development programme for training of the workforce which increased employee morale, motivation and enhanced productivity. These actions also helped the organisation to attract and retain talent and foster business excellence.	Positive
4	Health & Safety	O	Providing a safe and healthy work environment for the workforce promotes employee wellbeing, positive working atmosphere, improved productivity and less downtime.	Stringent safety systems in place to ensure a healthy and safe workplace for the employees. RCMS also conducts safety trainings on safety protocols to avoid any workplace accidents to its employees.
